## About This Game

Who used the encasing device in the grisly murder of the Sculptor and his bride? What loathsome secrets are hiding behind the high walls of elegant, Grecian estates? Explore a beautiful and romantic Greek village by the sea, as you use your investigative reporting skills to track down a desperate, haunted killer – before they kill again!

This is a special Collector's Edition release full of exclusive extras you won't find in the standard version. The Collector's Edition includes:

- Play the mini-games and hidden object scenes again!
- Return to Partha in a Bonus Chapter
- Download soundtracks, wallpapers, screensavers, and concept art!

The screenshot displays the 'House Plantagenet' genealogy tree within a game interface. The tree is set against a parchment background and shows a lineage starting from a single ancestor at the top, branching into two lines. The left line descends through several generations, ending in a group of four living members. The right line also descends through several generations, ending in a group of four living members. Some members are marked with a skull icon, indicating they are deceased. The interface includes a map of Europe in the background, a portrait of a king in the top left, and various game statistics in the top right.
